MEMORANDUM FOR: Executive Director-Comptroller
Deputy Director for Plans
Chief, Historical Staff, O/DCI

SUBJECT : CS Historical Program - June 1967 Status
Report of the DDP Representative,
Historical Staff, O/DCI

1. Transmitted herewith is the June 1967 Status Report. It covers the two and one-half years (January 1965 to June 1967) since the establishment of the CS Historical Board, and the CS research group in the Historical Staff, O/DCI.

2. The CS Historical Program is vital. This Status Report depicts an ever expanding realization of the existence and value of the papers produced; the demands for them are mounting. To provide strength and resilience, an infrastructure has been woven throughout the Program applying the expertise of knowledgeable officers and drawing upon the governing policies, responsibilities, activities, operations, and records of the CS staffs and divisions. Arrangements have been made for continuity and projections into the future.

3. The assignment to organize and manage the CS historical effort, following a short period of historical work on Vietnam, brought with it most unusual challenges. The demands for applied psychology, ingenuity, creativeness, and promotional techniques as well as extremely diverse implementations from debriefing patterns to format layouts, have been continuous. Thus, each day has seen fresh impetus infused into the Program and has brought its satisfactions as the challenges and hurdles were met and overcome.

4. It has been a privilege to carry out this responsibility for the Agency.
